

Suggested Prayer points for Sunday 20th Sept 2020

Praise God for who he is

- Praise God for his provision of all that we need; food, air, shelter, water, clothing and people in our lives. Thank him too for all our spiritual provisions especially Christ.

The World

- Pray for **Nigeria** (Africa). Praise God for the many Christians in Nigeria and their faithfulness to Christ. Ask the Lord of the harvest to enable more Nigerians to follow Christ. Pray about the increasingly persecuted believers in the north states to be characterised by supernatural forgiveness and love.
- Bring before the Lord the fires in California; those who have lost people and property. Pray for those fighting the fires.
- Ask the Lord for his peace to come to Belarus. Pray that God will use the troubles to draw people to himself.

Singapore

- Pray for good cooperation between government and the opposition groups when it is important for the good of all Singapore and fair and helpful debate when issues are not as 'vital'.
- Pray for those who are trying to start a business in these very difficult financial times. Pray for wisdom in ways forward and not getting too much in debt.
- Pray for Bishop Low who is acting as the Bishop of Singapore (officially called Vicar General) between Bishop Rennis and Bishop Titus. Ask the Lord to grant Bishop Low wisdom to know what decisions to make and which ones to leave for Bp Titus.

St George's.

- Pray about the possibility of restarting our 3 Services if MCCY allow us to have 50 + 50. Pray for wisdom to know how to best care (in person and virtually) for people in our Sunday School and Youth Ministries as numbers are still restricted for them.
- Thank the Lord for Nicholas (Admin Manager) who has made a huge difference to the processes in our resumption of church Services in person. Pray that Nicholas will have wisdom in future decisions as we take steps to increase our church gatherings.
- (Pray for a St George's Mission Partner) **Andrew and Heather Reid – Evangelical Theological College SG** Thanks for a good intake of students this academic year. Pray for students growing not only in knowledge of Scripture but also in godliness. For wisdom and strength in conducting classes in Covid-19 context.
- Pray for the sick Joanna, Rosemary, Kah Seng, Caitlin and Tee Dhye.
- Pray for those who grieve such as Amrita (10 am cong.) after the death of her father and Jenny Stead after the death of her husband.
